## Market Tavern Catering

From the time you place your order with Market Tavern until your party arrives, we are confident you will feel relaxed in our seamless service. Market Tavern's Catering goal is to make certain you can spend quality time with your guests and be assured that you are feeding them delicious and healthy food.

We focus on food that is grown by farms we know and trust and our meats are free of any hormones and antibiotics. You can be confident that we are sourcing the best quality ingredients for you and your guests. Our chefs create a menu that is comfortable in any setting...office lunches, conferences, schools, holiday parties etc.

We are known for serving quality, healthy, tasty and sustainable food for our guests who dine at Market Tavern and we can deliver the same quality to your guests in your home or office

Our mission is to "build friendship through food" and we treat every catering order as if we were serving our friends
*We are often able to accommodate special requests. If there is something you'd like and its not listed, just ask
*Delivery within Stockton, $\$ 15$-Lodi and the greater San Joaquin County, $\$ 25$
*All orders must be placed 24 hours in advance
*Service utensils can be provided for an additional fee
